WHAT'S NEW AT FVC

***NEW* Wellness Packages**

Dr. Flanary has created packages to keep your pets healthy & give you savings at the same time. Since pet's cannot talk, bloodwork is our opportunity to look inside the pet's body & see if anything is wrong! You would be amazed at how many issues we detect with bloodwork & can treat before they become life threatening. So, we recommend a baseline blood chemistry panel with each yearly and discount it by \$10. A complete set of bloodwork is the best choice to keep your pets healthy and this option is discounted \$20 at the yearly.

Meet my 19 year old barn kitty Mickey Mouser, he had been having severe issues with arthritis, until I tried this new arthritis injection and even in this cold weather he is moving well around the cow lot!

PET SERVICES ALERT

DID YOU KNOW... that we are one of the few- if not the only- clinic in the

Western Kentucky Area that offers **BOTH** Endoscopy & Ultrasonography? Dr. Kayla Ferrell DVM has brought the skills & knowledge to utilize both instruments for the betterment of her patients to FVC. With the advantage of having both instruments in-house we can provide better diagnostics for our patients and provide our clients with answers to problems & questions in regard to their pets' health. Dr. Ferrell is a key example of what can be accomplished when you take education & training from one of the best veterinary schools in the country and apply it. We are so glad that she has returned home to us here at Flanary

Veterinary Clinic & has made the commitment to help the residents of her hometown & their pets!

In- Clinic & Curbside Update!

- If you have a **Curbside Appt** please **CALL** the clinic to check in- Someone will come to your vehicle after you are checked in.
- If you have an **In-Clinic Appointment**, please **COME INSIDE** to check in & then take a seat in the lobby
- If you are dropping your pet off for boarding, you must check in your pet by 4:30 pm on Monday- Friday or 11:30 am on Saturday. A drop off fee of \$10 per pet will be charged for any check in's done past these times. We look over every boarder and get them ready for their boarding stay. If you drop off at closing then someone has to stay late.
- When scheduling your appointment please make your preference known for In-Clinic, Curbside, or Drop Off.
- If you are a new client or are bringing a new pet you can save time by filling out the new client/patient form located on your PetDesk app or our website! Please submit online or bring with you to your appointment.
- Please return all laminated sheets to a staff member before leaving.

Thank you!

In closing,

It's February and National Pet Dental Month. Can you imagine how bad our teeth would be if we didn't brush our teeth?? Exactly!! So now is the time to take advantage of our dental special and have your pet's teeth cleaned!

First, if you have not downloaded the PetDesk app on your phone or computer, please do so today! We have quit sending out letter reminders (due to price of postage) and this will be how you receive reminders as well as monthly specials. You will be able to contact us through the app as well! All of your pet's health information, lab results, vaccination records, and prescriptions are listed. You can refill prescriptions for pick up, set up appointments and ask us questions all through the app!

Did you know that we can mail your pets medications to you? If you would like to take advantage of this service, please let us know when you place your refill request. Also, did you also know we can *price match* most drugs PetMeds or Chewy advertises? Ask us about it at your next medication refill! We try our best to earn your business for the best interest of your pet's health. We strive to keep local jobs & urge you to support local business as well instead of the large internet companies.
