## Let's Talk About Cats!

Everyone has heard the comment...  
**Cats own us; we do not own them.**

This, my friends, is very true. Cats are not dogs. They rarely beg for our attention, commonly amuse themselves, have a mind of their own and don't like to be told what to do. They have a unique way of intriguing us and making us "their" humans. So the month of June is devoted to them!

## Interesting Feline Facts

- Cats do not have sweat glands.
- Cats can rotate their ears 180°
- The oldest cat to live on record was 38 years and 3 days.
- A cat can jump as much as seven times its height.
- Cats cannot taste sweetness.
- The heaviest domesticated cat on record weighed 46.8 lbs
- A pack of adult cats is called a clowder.
- An adult cat can run about 12 miles per hour and can sprint at nearly thirty miles per hour.
- A cat's tongue is rough because it's lined with papillae—tiny elevated backwards hooks that help to hold prey in place.
- The nose pad of each cat has ridges in a unique pattern not unlike a person's fingerprints.
- Cats' bodies are extremely flexible; the cat skeleton contains more than 230 bones
- There are 30-40 MILLION community cats in the US as of 2020.
- The average lifespan of an indoor cat is 15 years, while the average life span of and outdoor cat is 6 years.

## Did you know....

Your companion will live a longer, healthier life and you will experience fewer headaches if you get them spayed or neutered!

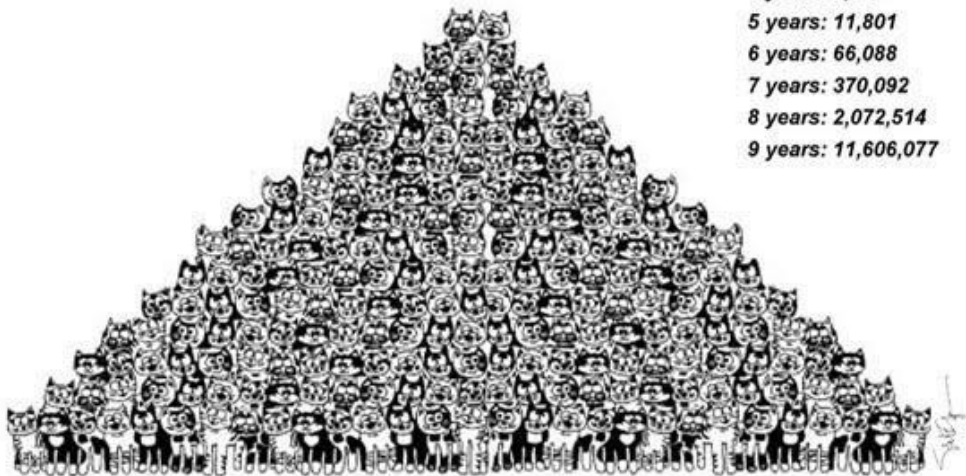

Spaying & neutering reduces or eliminates:

- The odds of breast cancer and dangerous uterine infections in females and prostate problems and testicular cancer in males.
- Frustration in resisting the natural urge to mate. Your companion will be less distracted, more easily trained and a more content member of your family.
- The animal's need to roam in search of a mate, decreases the chances that your pet will become lost, get into fights with other animals or hit by a car.
- No messy heat cycles in females that attract unwanted males.

*An unspayed female cat, her mate and all of their offspring, producing 2 litters per year, with 2.8 surviving kittens per litter can total:*

*1 year: 12  
2 years: 67  
3 years: 376  
4 years: 2,107  
5 years: 11,801  
6 years: 66,088  
7 years: 370,092  
8 years: 2,072,514  
9 years: 11,606,077*

# Basic Needs of the Cat

## Yearly Examination

Help detect various health issues

Such as:

Dental Disease, Skin Allergies, Heart Disease, Cancer and more

## Vaccinations:

In adult cats it is recommended to vaccinate them once yearly for Rabies, Leukemia, Distemper, and other upper respiratory diseases. There are several life threatening diseases and conditions that can be prevented with proper vaccinations.

## Proper Nutrition

Prevent Hairballs, Deficiencies, Obesity, & Maximize Health

## Intestinal Deworming

2-4 times per year depending on your cats hunting habits  
Small rodents often carry worms that pass to your cat if they eat them.

## Parasite Prevention

Consistent application of veterinarian approved products to protect your cat from contracting life threatening diseases or conditions from parasites such as Fleas, Ticks, Heartworms, and other parasites.

**\*Dr. Flanary recommends Bravecto Plus or Credelio for Cats\***

## Spay/Neuter Procedure

Spaying or Neutering your cat will protect them from uterine infections, breast tumors, fighting, and contributing to overpopulation

## Bloodwork

Evaluates Kidney, Liver, Gallbladder Function, and monitors for Diabetes to help keep your pet healthy overall

Let us spoil them like they are on vacation!

Size Inclusive Kennels      Spacious Cat Condos  
Large Dog Runs      2 fenced outdoor play areas

**PLAY TIME \$5 PER DAY  
EXTRA TREAT INCLUDED!**

Going on vacation this summer? Let your pets board with Flanary Vet Clinic! We take pride in caring for your pet as if they were our own. You can be confident that they are receiving the care that they deserve, and you demand. While we are making sure that they are happy and comfortable, we will also make sure that they stay healthy and safe. FVC offers cat condos and spacious dog runs, which are both climate controlled, and two outside fenced in "play areas." Pets are always supervised when outside and never allowed with other pets unless they are "family."

For all boarding reservations when your dog boards for 5 nights they can receive a bubble bath before going home for only \$20! To make the hardship of being away from your pet a little easier we will text you a photo of your pet during their stay with FVC. We also offer TREAT TIME for just \$1 per night or add PLAY TIME for just \$5 per day! Let us give your fur baby some extra loving's while you're gone. We love to spoil them! The treats can also be upgraded to our Gourmet Claudia Cuisine Cookies!

We all know there is a feral cat problem in Western KY. Please help by spaying and neutering the cats in our area. This month is the time to do it! It also seems like lots of cats are needing vaccines so now is the perfect time to take advantage of our cat vaccine special & get them vaccinated, examined, and dewormed at a great deal!

Please enjoy these pictures of my cats and become my friend on Facebook so you can see more!

## *IN CLINIC AND CURBSIDE APPTS AVAILABLE!*

With Dr. Flanary and Dr. Ferrel on staff we are ready to see you & your pet! We are glad to continue to offer Curbside Appointment options as well as In-Clinic Appointments.

Since we had to implement curbside service in 2020, it has been a big hit with over 75% of our clients. Busy mothers with crazy schedules, injured or limited clients, and even just being able to run errands while we take care of your pet has been a lifesaver for many!

With this being said, please see below to see how to schedule your appointment

\*PLEASE SPECIFY IF YOU ARE WANTING IN-CLINIC OR CURBSIDE APPOINTMENTS WHEN SCHEDULING OVER THE PHONE OR IN THE NOTES SECTION ON THE APP\*

\*Please DO NOT send Facebook messages as it is not consistently monitored and we have multiple platforms on which to contact us.

\* [We ask that you please utilize your PetDesk app to request appointments and request medication refills.](#)
